Out-On-Pass Information

You may go out on a therapeutic pass while at the rehab facility. These passes are approved by the facility physician.

Per rehab guidelines, family members must check in with a Social Worker to make arrangements to take you out. In addition, they will need to be cleared by PT/OT to safely assist with your transfer and ambulation while you're out on pass.

Be advised, per NYS DEA guidelines, no medication can be dispensed for a therapeutic pass without a forty-eight (48) hour notice.

If you have questions, please feel free to check with your nursing staff/Social Worker.

Labeling Clothing

Dear Resident and Family Members,

Seneca Health Care Center has purchased a machine to attach labels to Resident's personal clothing in an effort to reduce or eliminate the misplacement of items.

All clothing provided to Residents or Patients should be left at the Front Desk with the individual's name clearly marked on the front of the package to assure that clothing is labeled before being placed in the room. During business hours, the receptionist will record all incoming clothing items in our clothing log.

You may also apply your own labels to clothing if you wish. If you do not wish for clothing to be labeled, please be advised that the facility is not responsible for any lost clothing.

We are pleased to offer this service free of charge and hope that the issue of misplaced or lost clothing will be minimized.

If you have any questions regarding the laundry system, please do not hesitate to contact our department at ext 398.

Enjoy your stay!
