# Labeling Clothing

Dear Resident and Family Members,

Sunset Nursing and Rehabilitation Center has purchased a machine to attach labels to Resident's personal clothing in an effort to reduce or eliminate the misplacement of items.

All clothing provided to Residents or Patients should be left at the Front Desk with the individual's name clearly marked on the front of the package to assure that clothing is labeled before being placed in the room. During business hours, the receptionist will record all incoming clothing items in our clothing log.

You may also apply your own labels to clothing if you wish. If you do not wish for clothing to be labeled, please be advised that the facility is not responsible for any lost clothing.

We are pleased to offer this service free of charge and hope that the issue of misplaced or lost clothing will be minimized.

If you have any questions regarding the laundry system, please do not hesitate to contact our department.

Enjoy your stay!
